Proaim FlexLift Folding Camera Stand

FlexLift Stand Setup

- Hold the FlexLift stand and gently pull it upwards.
- While opening, place your foot on the middle leg for stability and continue pulling upward until fully opened.
- The stand is now ready for use.

Camera Mounting Setup

- Loosen the 1/4"-20 screw on the top mount.
- Securely attach your camera (not included) onto the screw and tighten it.

- The camera is now securely mounted onto the stand.

- To detach the camera, loosen the screw and carefully remove it.

Phone Holder/Adaptor Setup

- Loosen the 1/4"-20 screw, attach the phone holder/adaptor to the stand, and securely tighten the screw.

- Open the adapter slightly and insert your phone (not included).

- To remove, loosen the screw and detach the adapter from the stand.

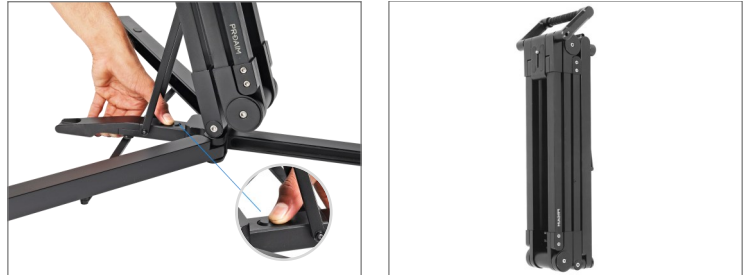

Adjustments & Folding

- Use the included 5mm Allen key to tighten or loosen stand joints as needed.
- To fold the stand, push it inward from the joint sections.

- Finally, press the black button located on the leg and push it downwards to collapse and lock the stand into its folded position.
