Tray

For Stand Mounting

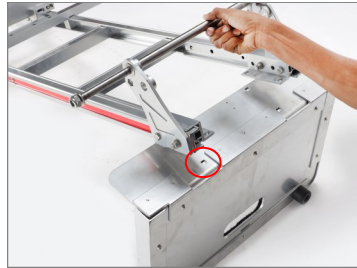

Vanguard Cart for C-Stand Setup

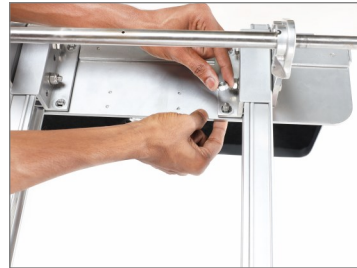

- To attach the Vanguard cart to the tray, first remove the bolt by loosening the nut.

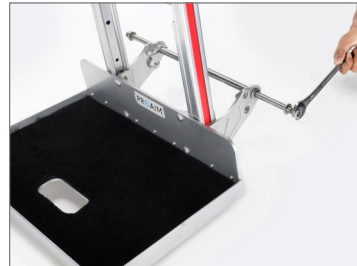

- To properly attach the Vanguard cart to the tray, match and insert the bolts from the bottom, as shown in the image.

- After inserting the bolt, tighten it and secure it using the spanner.

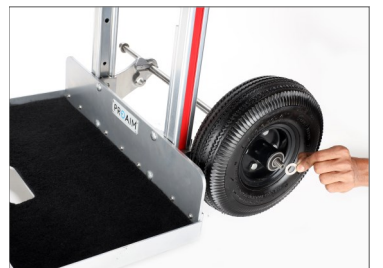

- To attach the pneumatic wheel, remove the bolts and washers from the wheel using the spanner.

- Now, insert the wheel in the rod and repeat the same process for the second wheel.

- After attaching the wheels, insert back the bolts and washers to completely secure the wheels.

- After attaching the wheels, secure them using the spanner.

NOTE: Enjoy hassle free transportation with pneumatic rear wheels that provide incredibly smooth movement.

- To remove the bolt from the rod, use an Allen key.

- To insert the rod in the Vanguard Cart, tighten it by twisting them around, as shown in the image.
- Repeat the same process for the remaining three rods.

- After inserting the bolts, tighten them using the Allen key.

Feature: It features a unique holding plate with ten holes for c-stand extensions.

- After inserting all four rods, insert bolts from the backside of the cart, as shown in the image.

Feature: With its non-slip rubber hand grips, you can maintain a secure and comfortable grip.

- All rods are securely inserted on the Vanguard cart for C-Stand.

- Loosen the knob of the 360° Rotatable Grip Clamp (Not Included).

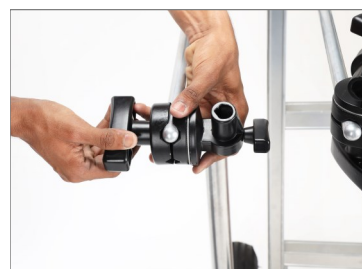

- Hang the C-Stand on the rod and insert the clamp.

Feature: Effortlessly carry C-stands around the set with Vanguard cart for C-stand, designed to simultaneously maneuver up to 10 stands.

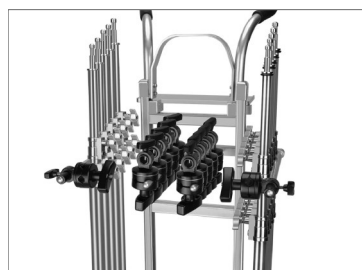

- The Vanguard Cart can hold up to 10 C-stands with extra protection using the Grip Clamp (Not Included).

NOTE: It has a 360-degree locking design with 12mm or 16mm holes that allow you to mount your equipment in variable positions.

- The image shows 10 C-Stands securely hung on the Vanguard Cart.
